VIDEO SCRIPT

Nicci So, how do you want to do this? Shall I be the receptionist first?

Chen Yes, OK. Bring, bring. Bring, bring.

Nicci Hello. Um ... Good morning. *How can I help you?*

Chen Hi. I'm ringing [1] _____ some friends of mine.

Nicci OK.

Chen Um ... and they would like to stay with you for four days. Do you have rooms available?

Nicci OK. *What dates* [2] _____ *coming?*

Chen Um ... Thursday the 23rd of June to Monday the 27th. Four nights, right?

Nicci Yes, it is. *Let me just check our availability.* One moment, please.

Chen OK.

Nicci Yes, that [3] _____, but I'm afraid we only have beds in a large shared room.

Chen I think that will be OK. They're students, so they want to save money. *How much* [4] _____ *per night?*

Nicci £80.

Chen For each person?

Nicci No, no. For all four people. So it's only £80 per person for four nights.

Chen OK. That sounds fine. Thank you. [5] _____ *breakfast?*

Nicci I'm afraid not, no. That's £5 extra for each person.

Chen OK. [6] _____. Also, they want to go to the arts festival during their time in Scotland. If they want to rent a car, can they do that at the hostel?

Nicci [7] _____. *They can rent one from a local company, though.* It usually costs around £25 a day. They could get the bus into Edinburgh, though. It's cheaper if they're [8] _____.

Chen OK. I'll ask them.

Nicci But tell them that the last bus is quite early. It leaves Edinburgh at 9.15.

Chen *Thanks for telling me. One last thing.* They would also like to [9] _____ round the countryside. Can you arrange that?

Nicci Maybe. It depends. Do they want to drive or do they want to walk?

Chen *To be honest, I'm not sure.* Can you do both?

Nicci We can – [10] _____, of course. Obviously, walking is cheaper.

Chen And colder! OK. Well, thank you. That's helpful. Let me to talk to my friends. I'll call you back.

Nicci OK. Thank you. Goodbye.

Chen Bye.
