Match the pictures to the words.

salty - spicy - sweet - sour

Food Words

There are different words for the times we eat and the types of food we have. Let's learn some of them!

Breakfast

Is the first meal of the day, the one we eat in the morning.

Lunch

This is a meal that people eat around noon.

Dinner

Depending on where you live, it could be the main meal of the day or the last meal of the day.

Snacks

These are small portions of food eaten throughout the day.

Take-out food

This is food that people buy from a food place, and it's usually eaten at home or somewhere else.

Drinks / Beverages

Juice, milk, and water are drinks! All the liquids that we can drink.

Meal

Is the food we eat at a specific time of the day, like breakfast, lunch or dinner.

Bite

A piece of food that we cut with our teeth.

Chew

Chewing is crushing the food with the teeth to be able to eat it better.
