Read and choose the best answer.

There are books with fairy tails in many countries. Often the same stories are known and repeated in many languages. Some of the things that happens in these stories are remarkable, although not as remarkable as things that are truly happening in medicine and science today.

Most fairy tails begin with "Once upon a time" and end with "They lived happily ever after", so we will begin in the same way.

Once upon a time there was a girl called Cinderella who did all the work in the kitchen while her lazy sister did nothing.

One night, her sister went to a ball at the palace. Cinderella was left home, very sad. After a time, her fairy godmother appeared and told Cinderella that she could go to the ball- but to return home by midnight.

So, she went to the ball in a beautiful dress in a wonderful coach. She danced with the prince but at midnight she ran back home, leaving one of her shoes on the floor. The prince wanted to see her again and went to every house in the capital until he found that the shoe was the right size for Cinderella. She and the prince were married and lived happily ever after.
