PHILIP WORKS IN A SMALL MODERN, INDUSTRIAL TOWN IN HILO.

Bill and Nancy, a young married couple, are going to attend a party at the home of Nancy´s new boss. They are trying to dress for the occasion and aren´t sure what is expected, Nancy is very worried about making a good impression. Unscramble the sentences in their conversation.

Bill: This is _a formal office party_ 1 (party/office/formal/a), isn´t it? What if I wear _____2 (tie/my/silk/new)?

Nancy: That´s fine, but don´t wear _____ 3 (shirt/purple/ugly/that/denim) with it. People will think you don't have _____4 (clothes/any/suitable/dress-up).

Bill: So, what? Why should I pretend I like to dress up when I don´t?
Nancy: Because there are going to be _____5 (people/business/a lot of/ important/there), and I have to make _____ 6 (impression/a/intelligent/, /good). It´s my job remember? I don´t want people to think I have _____7 (dresser/unstylish/a/, / sloppy) husband, which of course you´re not. Humor me just this once, OK, Sweetie? Hmm… I wonder if I should wear _____8 (round/my/earrings/sapphire/blue) or _____ 9 (green/oval/ones/emerald/the).
