No, but I've worked in a supermarket as a stockroom assistant and then on the checkout. I do like fashion, so I think I will do well in a clothes shop.	I don't think so, thanks. Your assistant explained a lot to me last week.
It's only part time, twelve hours per week and I would like to work full time.	Thank you.

Manager: Good morning, Miss Adinda Sari. Please, take a seat.
Adinda :

Manager: So, you want to work for One Flores Store, right? Have you worked in a clothes-shop before?
Adinda :

Manager: Are you currently employed?
Adinda :

Manager: Why do you want to change your job?
