I wish you would – Taylor swift

It's 2 A.M. in your car
Windows down, I pass my street
The memories start
You say it's in the _____
And drive straight ahead
You think I'm gonna hate you now
'Cause you still don't know what I never _____

I wish you _____ back
Wish I'd never hung up the phone like I did
I wish you _____ that
I'd never forget you as long as I'd live
And I wish you _____ right here, right now
It's all good…. I wish you would

It's 2 A.M. in my room
Headlights pass the window pane.
I _____ of you
We're a crooked love
In a straight line down
Makes you wanna _____
Then it makes you turn right back around

I wish you _____ back
Wish I'd never _____ the phone like I did
I wish you _____ that
I'd never forget you as long as I'd live
And I wish you _____ right here, right now
It's all good…. I wish you _____

I wish we _____
And remember what we were fighting for
Wish you _____ that
I miss you too much to be mad anymore
And I wish you _____ right here, right now
It's all good… I wish you _____

You always knew how to push my buttons
You gave me everything and nothing
This mad, mad love makes you come rushing
Stand back where you _____
I wish you would, I wish you would
I wish you _____, I wish you would

2 A.M., here we are
See your face, hear my voice in the _____
We're a crooked love
In a straight line down
Guess you wanna _____
But it made us turn right back around

CHORUS

CHORUS

CHORUS

You _____ knew how to push my buttons
You gave me everything and nothing
This mad, mad love makes you come rushing
Stand back where you stood
I wish you would, I wish you _____
