

Name: _____ Date: _____ Sec.: _____

Reading Skills**The Best Older Sister****Series I**

Instructions: Match the **cause** with the **effect**. Write the number of the cause in the box next to the corresponding effect. (10 points each)

Cause	Number of sentence	Effect
1. Halmoni couldn't pick up Sunhi at school because she was busy taking care of Kiju.		Sunhi apologized to Kiju. She promised to make him a wonderful birthday party.
2. Kiju was playing with Sunhi's teddy bear.		Sunhi felt happy and special after listening to Halmoni's story.
3. Halmoni found Sunhi crying in her room.		Halmoni told Sunhi about a surprise. She went to get three big presents.
4. Halmoni told Sunhi a story about how everybody was excited when she was born.		Sunhi got very jealous, took the teddy bear and ran to her room.
5. Sunhi felt sad because she was a bad older sister.		When school was over, Sunhi walked alone to her house and felt very sad.
6. Sunhi's parents had to work.		Halmoni took care of Sunhi and Kiju.
