Match

I know you're somewhere	I want you back
Somewhere far away	out there

I want you back

My neighbors think	You're all I had
But they don't understand	I'm crazy

You're all I had

Fill in the missing words

At night when the light up my room

I sit by myself talking to the

Tryna get to you

In hopes you're on the other

Talking to me too

Or am I a fool who sits

Talking to the moon?

I'm feeling like I'm

The talk of the town

They say I've gone mad

Yeah, I've gone

But they don't know what I know

Cause when the sun goes down

Someone's talking back

Yeah, they're talking back

At night when the stars up my room

I sit by myself talking to the moon

Tryna get to you

In hopes you're on the other side

Talking to me too

Or am I a fool who sits alone

Talking to the moon?

Do you ever hear me calling?

Cause every I'm talking to the moon

Still tryna get to you

In hopes you're on the other side

Talking to me too

Or am I a fool who sits alone

Talking to the moon?

I know you're somewhere out there

Somewhere far away.
