• Part One - Numbers 11 to 15 •

Read the following story.
For questions 1 to 5, say whether the statements are True or False.
On your Answer Sheet, mark T if the statement is True and F if the statement is False.

Tom lived in a small village near a forest. He was a happy child because he had two very good friends, John and Lisa.

One Saturday afternoon, Tom went to the forest alone. He wanted to take pictures of wild flowers for his class project. While he was walking in the forest, he heard a strange sound. He stopped walking and looked around. "Is anyone there?" he asked loudly. Nobody answered. "Maybe, it was a small animal," he said to himself and started walking again.

Near a big tree, there were some very beautiful flowers. He stopped to take pictures of them. As he was doing that, he heard the same sound again. He looked around, but he didn't see anything. Now, he was very scared. He decided to run back home. As he was running, he heard steps behind him. He ran faster and faster to get out of the forest.

There was a big hole in front of him, but he didn't see it and fell into it. He tried to get up, but he couldn't. "Are you O.K?" a boy said. He knew this voice. He looked up and saw John and Lisa. "We're sorry. We didn't want to scare you. We only wanted to play," said Lisa. "Oh, it was you in the forest," Tom said and smiled happily. John and Lisa helped Tom to get up and they all went back to Tom's house to play.

Mark A, B or C on your Answer Sheet.

Dear Helen,

I'm so glad that you're coming to London in the summer. We're going to have a lot of fun together.

First, we can do a lot of things in the city. I know your favourite activity is shopping, so we'll go to the centre of London first. There are many small shops there that you'll love. In the centre, there are also lots of restaurants where you can taste some popular English dishes. There are also lot of art galleries and museums in London. One museum that you must visit is the History Museum. You can learn a lot of things about the history of England. One day we must also go to the Thorpe Amusement Park. There are many rides there and I'm sure we'll have a lot of fun. And of course, I'll take you to the London Zoo. The London Zoo has a lot of wild animals from all over the world.

Secondly, we can go to my grandparents' village. You won't be bored in the village. There's a big swimming pool in the village and we can go swimming every day. My grandfather has got two horses on his farm so we can go horse riding in the countryside. Because I usually spend my summer in the village, I've got a lot of friends there and we can play with them. I'm sure you will enjoy your time in the village.

Write to me soon and tell me the date you're coming.

Love,

Kate
