

Heatwave

By Phil Collins

1. Put the sentences in order

Or is this the way love's supposed to be
Something inside
Whenever I'm with her
Could it be the devil in me
And I'm filled with desire
Starts to burnin'

Chorus

*Just like a heatwave
Burning in my heart
Can't keep from cryin'
It's tearing me apart*

2. Complete the lyrics

Whenever she _____ my name
So slow, _____ and plain
I feel, I feel, feel that burning _____
Has my blood _____ got a hold on me
Or is this the way love's _____ to be

Chorus

3. Select the correct option

Sometimes I **stare/blare** in space
Tears **moreover/all over** my face
I can't explain it, don't understand it
I **ain't never/have never** felt like this before
Well that funny feeling has me **enhanced/amazed**
I don't know what to do
My head's in a **haze/place**

I got the heatwave
Don't pass up this chance
It could lead to romance
