这个专题作业让我学到了什么？

我学会了怎么介绍家人的职业。

家人工作很累，我们应该帮他们做家务，让他们可以多休息。

家人很伟大，他们为了我们，很努力地工作。

工作不容易，我们要好好学习，将来可以找比较好的工作。

每一份工作都是对社会有贡献的，都值得尊敬。

我学到很多华文字。

我觉得我可以说得更流利。

I learnt how to introduce my family member's occupation. Work is tiring, we should help our family members with household chores, so that they can rest more.

Our family members are noble, they are working hard for the family.

Work is not easy, we have to study hard, so that we can get better jobs in future.

Every trade contributes to the society and should be respected.

I learnt many Chinese words. I feel that I can speak more fluently.
