

Let's Learn!

Addition with Regrouping in Tens and Ones

1 $278 + 386 = ?$

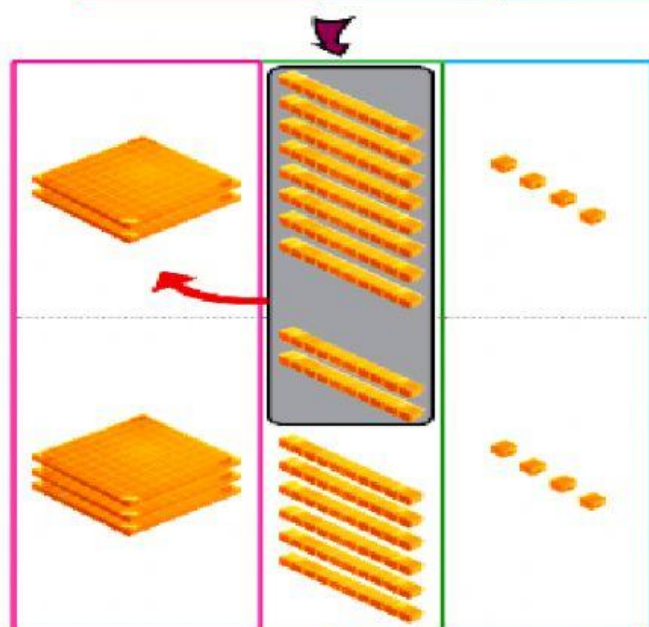

First, add the ones.

$$\begin{array}{r} 278 \\ + 386 \\ \hline 4 \end{array}$$

8 ones + 6 ones = 14 ones

Regroup the ones.

14 ones
= 1 ten 4 ones

Then, add the tens.

$$\begin{array}{r} 278 \\ + 386 \\ \hline 64 \end{array}$$

1 ten + 7 tens + 8 tens
= 16 tens

Regroup the tens.

16 tens
= 1 hundred 6 tens

Lastly, add
the hundreds.

$$\begin{array}{r} 278 \\ + 386 \\ \hline 664 \end{array}$$

1 hundred + 2 hundreds
+ 3 hundreds
= 6 hundreds

664

So, $278 + 386 = 664$.

Learn more

2 $153 + 449 = ?$

First, add the ones.

3 ones + 9 ones = ones

Regroup the ones.

ones = 1 ten ones

Then, add the tens.

1 ten + 5 tens + 4 tens = tens

Regroup the tens.

tens = 1 hundred tens

Lastly, add the hundreds.

1 hundred + 1 hundred + 4 hundreds = hundreds

So, $153 + 449 =$.

Write $153 + 449$
in this way.
Then, add.

$$\begin{array}{r} 153 \\ + 449 \\ \hline 602 \end{array}$$
