

GET AWAY = IR EMBORA, FUGIR

THE ONE THAT GOT AWAY

KATY PERRY (COVER BY BRIELLE VON HUGEL)

Summer after _____, when we you first met
We'd make out in your Mustang to Radiohead
And on my twentieth (20°) eighteenth (18°) birthday, we got matching tattoos

(We) Used to steal your parent's liquor and climb to the roof

té tus

Talk about our future like we had a clue
planned that one day I'd be losing you

In another _____, I would be your _____

We'd keep all our promises, be us against the _____

In another life, I would make you stay

So I don't have to say you were the one that got away, the one that got away

I was June and you were my Johnny Cash

Never one with without the other, we made a pact

_____ when I miss you, I put those records on

Someone said you had your tattoo removed

Saw you downtown, _____ the blues

Never planned that one day I'd be losing you

In another life, I would be your girl

We'd keep all our promises, be us against the world

In another life, I would make you stay

So I don't have to say you were the one that got away

The one that got away

All this _____ can't buy me a time machine, no

I can't replace you with a million rings, no

I should have told you what you meant to me,

'Cause now I pay the price

'Cause in another life, I would be your girl

We'd keep all our promises, be us against the world

In another life, I would make you stay

So I don't have to say you were the one that got away

The one that got away, the one that got away
