Name:_____Date : _____

Adverbial phrases of place –Where

Adverbs are words that modify or describe verbs or action words. They tell how, when, or where something happened. Adverbial phrases are two or more words that function as an adverb.

***Part 1**: Identify and underline the adverb or the adverbial phrase in each sentence.*

*Determinewhether the adverbial phrase indicates when **(time—T),** where **(place—P):***

1. We walked around the city.	_____
2. My dog ran crazily last night.	_____
3. My sister cooks dinner after school.	_____
4. My family will go camping on the top of the hill.	_____
5. I wake up early in the morning.	_____
6. My mom tells to stay in the kitchen.	_____
7. Tom likes to draw fish swimming under the water.	_____
8. Students cannot play during the class.	_____
