A wildlife Safari

Do you like adventure? Then, an African wildlife safari is the right thing for you! Safaris in Nairobi, the capital of Kenya, are the most popular.

We leave early in the morning to see the sunrise. You can enjoy the beautiful scenery from your 4x4 vehicle. Our drivers know the best spots.

During the day, you can see many different animals in their natural habitat. You might see the big five. These are animals of Africa: the African Elephant, African Leopard, Rhino, Cape Buffalo and African Lion.

Remember, you must be careful. These are wild animals.
