Planning a menu

Student: For homework, I had to decide on a concept and a

menu. I chose a 1_____ in a shopping centre. I'll have an à la carte menu and serve 2_____ and sandwiches.

Chef: Why?

Student: Sandwiches and salads are simple to make and the 3_____ are always available.

Chef: You've also got a 4_____ menu.

Student: That's because Mums often go shopping with their children.

Chef: Yes, they do.

Student: Mums want small portions and 5_____ prices for their children.

Chef: I agree. Let's see ... there are hamburgers and toasted 6_____ sandwiches on the children's menu.

Student: They aren't too fancy for children.

Chef: Yes, that's true. Now, you've got 7_____ with whipped cream for dessert, but strawberries are a problem.

Student: Why? Children love strawberries.

Chef: Yes, but strawberries are seasonal. What will you do when you can't get them?

Student: Oh, of course. Perhaps I could serve ice cream with 8_____ fruit.

Chef: That's a better idea.
