

A black and white line drawing of various school supplies scattered on a plain background. The items include two different styles of bags (a briefcase and a backpack), two books, several pens and pencils, two rulers, two erasers, and two circular objects that look like protractors or compasses. The drawing is simple and illustrative, using clean lines to define the shapes of the objects.

How many pencils are there? _____

Observen los dibujos y aprendan cómo se ubican los objetos dentro del salón de clase. Escuchen a su docente.

IN [ín] Dentro	UNDER [ándér] Debajo	ON [ón] Sobre	NEXT TO [néks tú] Junto
-----------------------------	-----------------------------------	----------------------------	--------------------------------------

Describe la ubicación de las mascotas, observando el recuadro anterior.
