

My last vacation

1. Read about Annie's last vacation.

Hi! I'm Annie! I live in Michigan, USA. On my last vacation my family and I travelled to California. We stayed in a beautiful hotel. We went to the beach every day and swam in the ocean. My mom took a lot of photos and sunbathed! My dad and I played soccer on the beach. On Tuesday we went fishing. We also visited some museums. I loved them! One day we went to a restaurant. I ate pasta but my dad didn't, he ate meat. I drank a soda. After that, we walked to the centre and bought some souvenirs. I had a great time there, I was very sad to come back home.
