Part 4 : Reading

(Question 14-18)

Teens love mobiles and most have one. Is this a good thing? Mobiles are useful in case of an emergency. You can easily contact family members when you need them. They also help communication. You can also send text messages or chat wherever you are

On the other hand, mobiles can be costly. If you talk a lot on your mobile, you'll have to pay a huge phone bill. They can also easily distract you. You can spend hours playing games and neglect your homework.

Mobile phones are very useful especially in emergency situations. However, teens need to learn to use them to use them sensibly.

14. What is main topic of the first paragraph?
- A Sending text messages via mobiles. B Using mobiles in an emergency case.
C The benefits of mobile phones. D The problems with mobile phones.
15. The writer advises teens to _____.
- A contact their family members via mobiles B pay the phone bill themselves
C stop playing games and do homework D be more careful when using them
