

# Resources

## Human, Capital and Natural resources

\_\_\_\_\_ come from the earth.

Trees make wood.

Gold makes watches.

We use oil to cook.

\_\_\_\_\_ are tools we use to do our work.

We use planes for transportation.

Computers help us learn.

Pencils help us to write.

\_\_\_\_\_ are provided to us by people in society.

Doctors take care of us.

Policemen protect us.

Teachers help us learn.
