ABOUT ME

I love being outside, and I love doing sports like football, skateboarding and running, but for me the best activity is camping. I usually go with my friends and my parents.

Camping is good fun, but you need the right equipment, such as a tent and a good sleeping bag. I always take a map, a compass and a first-aid kit, too.

When the weather is warm, I also take some insect repellent because there are often mosquitoes!

In this photo, we aren't camping on a campsite. We're camping in a field. We're having breakfast. It's cold and wet, but we're having a great time!
