Example of Self Introduction

Hello, my name is Matt Lemanski. My friends call me Junior, because my father's name is Matt also. I am the creator of Speaking of English, a blog for intermediate English learners who want to become more fluent in the language. I am originally from the United States and I currently live in Germany. I have been a teacher since 2008, and specialize in business writing and IELTS preparation. Before becoming a teacher, I worked as a copyeditor for government agencies in Washington DC and as a ghostwriter for startup founders and independent consultants around the world. In my free time, I enjoy hiking, practicing photography, and exploring the city by bicycle.
