

UNJUMBLE THE WORDS

I love watching movies. At the cinema, on TV or on my computer. I'm big fan love a movie and all the news of my favourite movie stars. I like all kinds of movies - Hollywood blockbusters, movies white and black the from 50s, independent movies... They're all good. Recently into I've watching got foreign movies. I like the films that come out of Bollywood - they're very different. The first film was theatre movie the at saw I Star Wars. effects at I the was special amazed. Nowadays, so many movies such graphics good have computer that we forget how special the effects are. favourite my of One of ways relaxing is to rent the latest DVD and

sit on the sofa with a big bag of potato chips. The sound has to be up to the max be and lights to off the have.
