READING (10 PTOS)

My name is Sam, and I study at college. I rent a flat together with another student. I am not an extremely tidy person and I hate housework. But we are expecting a visit from my flatmate's grandma. So, on Saturday, my flatmate Matias and I are going to give our flat a really good clean. First, we are going to tidy the bedroom and the living room, which is not an easy thing to do. Then, we are going to take the rubbish out. I am also going to collect my dirty socks from under the bed and wash them. Then, I am going to hoover the floor, because we have carpets on it. After that, Mati is going to clean the windows. I suppose that by 12 o'clock the flat would look perfect. We are going to feel awfully tired, but after a short rest, Mati is going to do the shopping, and I am going to make dinner. As a reward, I am going to bake a chocolate cake for us 😊.

How did they divide the household chores.

a. Tidy the bedroom and the living room.
b. Take the rubbish out.
c. Hoover the floor.
d. Clean the windows.
