Composition

Write an a paragraph about (Car Accidents In Saudi Arabia) using the information in the table below :-

1- an average.. 20 Saudi Arabian people die on…	4. Bad weather with heavy rain ……
2- many accidents occur …. drivers..	5- high winds and fog make……
3- Speeding increases the ……	6- We ask ALLAH to protect us…

Car Accidents In Saudi Arabia

An average of 20 Saudi Arabia people die on the countries road each day . Many accidents occur when drivers don't pay attention to the road. Speeding increases the risk of crashing. Bad weather with heavy rain, snow storms, high winds and fog make driving more difficult. We ask ALLAH to protect us from these accidents.
