When I went to the Surabaya zoo, I saw an owl. This owl is unique and amazing bird. It is a <u>heavy</u> bird and has a large head and an oval face. The owl has round eyes. Its eyes are large and are locked in the skull. It means the eyes cannot rotate independently. They are typically solitary. Though the owl is typically solitary, it also lives in a group. The owl hunts mostly small mammals, insects and other birds.	This giraffe is the tallest animal, I saw in Raganun zoo. It is a male. It is about six meters tall. It has big brown eyes. It has brown spots on its skin. It also has two short horns on its head. Its tail is long with <u>thick</u> hair on the top of the tail. It likes eating leaves of tree.

The most influential person in my life is my father. He teaches me how to have a goal in life. He assures me that I will accomplish it. He always builds my confidence with his best efforts. My father's love is unconditional. Leaving all of his ambitions and dreams, he helps me to have a dream and support me to reach it.

Since my childhood, he has been working in a small company. In the afternoon, he comes from his wearying work with his same old suitcase, asking, "How is your day?" with his cheerful and contented eyes. The fact that he never shows his exhausted face has always surprised me. Although we may be an ordinary family living in a small apartment room, our family is always distinguished by his everlasting love, strong support, and inspiring courage.

It has always been my father that inspired me in many ways. "Don't be lazy, keep up trying, don't give up" that what he says lovingly whenever I feel disappointed with my study. He always reminds me if I want my dream come true. I must struggle for it.
