

At home, it is important that everyone helps with the housework. At school, the **teaching staff** teach pupils. The **non-teaching staff** look after the school, library and meal times. Who is Sam helping?

Page 71

1 Read and number. Circle the jobs you do at home.

☐ She is making the bed.

☐ He is taking out the rubbish.

☐ She is washing the dishes.

☐ He is laying the table.

Page 72

Some people work with nature. They obtain or extract **raw materials** with the help of tools and machines. Where are Amy and Sam? Why are they wearing helmets?

1 Listen. Use the code to match the three columns.

job

machine

raw material

A fisherman uses ...

a drill

to grow crops.

A farmer uses ...

a chainsaw

to extract oil.

A miner uses ...
