

## STEP BY STEP

### 8. THE DAY OF THE \_\_\_\_\_

It is the 10th day of \_\_\_\_\_ which is known as the day of the \_\_\_\_\_, in memory of the sacrifice story of Prophet \_\_\_\_\_ and his son \_\_\_\_\_ (peace be upon them). It is also the first day of Eid \_\_\_\_\_

After throwing the \_\_\_\_\_ pebbles at the largest pillar you will now make the animal sacrifice.

### 9. SHAVING THE \_\_\_\_\_

After the animal sacrifice, the final step on the Eid day is shaving your \_\_\_\_\_ if you are \_\_\_\_\_. If you are \_\_\_\_\_ you can only trim your hair by the length of a fingertip.

After completing the shaving or hair trimming you are now allowed to leave the state of \_\_\_\_\_ and wear regular clothing.

### 10. \_\_\_\_\_ AND \_\_\_\_\_ ONCE MORE

You will now go to Mecca to perform one more \_\_\_\_\_ and \_\_\_\_\_ between Al - Safa and Al - Marwa as part of your Hajj rituals. These will be similar to what you completed in the beginning. This Tawaf is called \_\_\_\_\_.
