

## The Countries Song (lyrics)

I went to ..... on an ocean liner  
Went to ..... in the back of a van  
I went to ..... all the way by train  
Just to play in a rock 'n roll band

I went to ..... just by chance  
The USA just for the day  
I went to ..... just to pay my bill  
And to play in a rock 'n roll band

I went to ..... - worked as an usher  
Went to ..... - jammed with a man  
Rode a bike to ..... 'cause I thought it was near  
To play in a rock 'n roll band

I went to Congo - along with my bongo  
Took a boat-ride to ..... - along with my tuba  
Ireland, 'n Iceland, the Virgin Islands  
To play in a rock 'n roll band
