

Spread My Wings - (Inside Out)

I'll chase the shooting \_\_\_\_\_ (1) go by  
 \_\_\_\_\_ (2) with the fireflies at night  
 It's all possible

I'm gonna dream up something \_\_\_\_\_ (3)  
 Cause life is better when it's lit  
 It's all \_\_\_\_\_ (4)

Hold my head up high.  
 Look at the \_\_\_\_\_ (5) straight in the eye  
 And say I'll take on every day  
 Like there's nothing in my \_\_\_\_\_ (6)

Hold my head up high  
 Look at the world straight in the \_\_\_\_\_ (7)  
 And say I'm gonna take a leap  
 I'm ready to be free

Spread my \_\_\_\_\_ (8)  
 Spread my wings

I feel like a hot air balloon  
 I'll build a rocket to the \_\_\_\_\_ (9)  
 It's all possible

I'm gonna capture \_\_\_\_\_ (10) itself  
 With all the stories it can tell  
 It's all possible.

Hold my head up high  
 Look at the world straight in the eye  
 And say I'll take on every \_\_\_\_\_ (11)  
 Like there's nothing in my way

Hold my head up high  
 Look at the world straight in the eye  
 And say I'm gonna take a leap  
 I'm ready to be \_\_\_\_\_ (12)

Spread my wings  
 Spread my wings

Hold my head up high  
 Look at the world straight in the eye  
 And say I'll take on every day  
 \_\_\_\_\_ (13) there's nothing in my way

Hold my head up high  
 Look at the world straight in the eye  
 And say I'm gonna take a leap  
 I'm \_\_\_\_\_ (14) to be free  
 Spread my wings  
 Spread my wings.
