I'm Kien. I'm a student in grade six at a secondary school in Hue. I live in a small house with my parents and my elder sister in the city center. My house is not far from the school. It's

about 3 kilometers, so I go to school by bike every morning. I always get up early (at about a quarter to six) and that's the reason why I am never late for school.

I like playing sports such as badminton, soccer, and table tennis. I don't like volleyball. I play sports with my friends every afternoon after school. I also like jogging. I sometimes go to the park near my house and jog with my dog. I jog about once a week. On the weekend, I visit my grandfather in the country. I often go fishing with my grandfather, but sometimes I fly my kite (about twice a month) with my friends.

In my free time, I read books and listen to music. This makes me feel relaxed and comfortable. I don't like watching TV or playing video games. I think they're boring.
