

## LESSON 10 – FRUITS AND VEGETABLES

1. Listen and choose the correct answer

|                                                                                         |                                                                                         |                                                                                           |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|

2. Listen and choose the correct answer

|                                                                                          |                                                                                          |                                                                                            |
|------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|

3. Listen and choose the correct answer

|                                                                                           |                                                                                           |                                                                                             |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|

4. Listen and choose the correct answer

|                                                                                           |                                                                                           |                                                                                             |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|

5. Listen and choose the correct answer

|                                                                                         |                                                                                         |                                                                                           |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|

6. Listen and choose the correct answer

|                                                                                         |                                                                                         |                                                                                           |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|

7. Listen and choose the correct answer

|                                                                                           |                                                                                           |                                                                                             |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|

8. Listen and choose the correct answer

|                                                                                           |                                                                                           |                                                                                             |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| A.<br> | B.<br> | C.<br> |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|

9. Read and match

carrot

tomato

cabbage

pumpkin

potato

pepper

beans

10. Read and match

orange

mango

grapes

banana

lemon

pineapple

watermelon

11. \_\_\_\_\_ do you want? I want some oranges

A. What

B. Where

C. Who

**12. What do you want?**

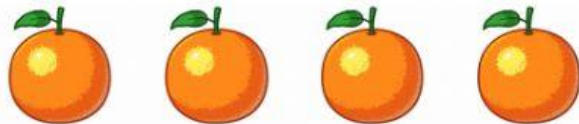

**A. I want some three tomatoes**

**B. I want some three carrots**

**C. I want some three peppers**

**13. What do you want?**

**A. I want some four oranges**

**B. I want some four apples**

**C. I want some five oranges**

**14. What do you want to buy?**

**A. I want some three pumpkins**

**B. I want some four pumpkins**

**C. I want some five pumpkins**

**15. What do you want to buy?**

**A. I want seven lemons**

**B. I want some mangoes**

**C. I want some six lemons**
