

## Ejercicio

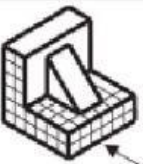

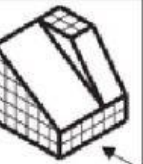

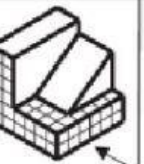

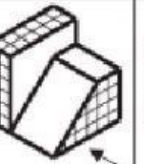

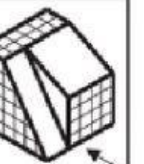

Indica en la siguiente tabla los números de las vistas correspondientes a las piezas, teniendo en cuenta que la vista de Alzado se obtiene mirando la pieza en la dirección de la flecha.

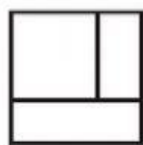

Recuerda:

Alzado - P.V.

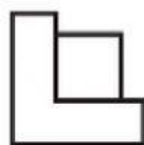

Planta - P.H.

Perfil - P.P.

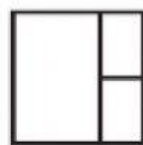

|        |                                                                                   |                                                                                   |                                                                                   |                                                                                    |                                                                                     |                                                                                     |
