

I will always love you

If I should stay
I would only be in your way
So I'll go, but I know
I'll think of you every step of the way

And I will always love you
I will always love you
You, my darling, you

Bittersweet memories

That is all I'm taking with me
So goodbye, please, don't cry
We both know I'm not what you, you need

And I will always love you
I will always love you, oh

I hope life treats you kind
And I hope you'll have all you've dreamed of
And I wished you joy and happiness
But above all this, I wish you love

And I will always love you
I will always love you
I will always love you
I will always love you
I will always love you
I, I will always love you, you

Darling, I love you
I'll always, I'll always love you
