It's too hot!

Can you turn on the fan?

Can you turn on the music?

It's so cold...

Can you give me a jacket?

Can you give me shorts?

I'm thirsty

Can you give me some water

Can you give me some food

I'm hungry!

Can you give me some water

Can you give me some food

The music is too loud!

Can you turn up the music?

Can you turn down the music?

The music is too low...

Can you turn up the music?

Can you turn down the music?
