Part II. Give the correct form of words in brackets to complete the following sentences.

The increase in city crime is a global phenomenon. Some people say that a lot of crime in this country is because of **(1 - migrate)** _____ and the new people arriving from other countries bring different **(2 - culture)** _____ values and attitudes to the law. I don't agree with this idea because the most common crimes are **(3 – local)**_____produced and not imported from other countries. **(4 - Vandal)** _____is one of the biggest crimes in my city with bus shelters and shop windows being popular targets. Another popular crime is **(5 - pay)** _____ parking fines, which is unlikely to be because of immigrants because most of them do not own cars. The **(6 - oppose)** _____ point of view is that young local people feel angry when they can't get a job and in order to **(7 - hand)** _____ the change in their environment, they strike out at easy targets. This would explain why bicycle **(8 - thief)** _____ is more common than car crime these days, especially in rich **(9 - neighbors)** _____ where most cars are protected with electronic alarms. Another reason, though, for so many bicycles getting stolen might be that the **(10 - punish)** _____ is not very severe compared to car stealing which can land you in prison for a number of years.
