

**Part II. Give the correct form of words in brackets to complete the following sentences.**

The increase in city crime is a global phenomenon. Some people say that a lot of crime in this country is because of (1 - **migrate**) \_\_\_\_\_ and the new people arriving from other countries bring different (2 - **culture**) \_\_\_\_\_ values and attitudes to the law. I don't agree with this idea because the most common crimes are (3 - **local**) \_\_\_\_\_ produced and not imported from other countries. (4 - **Vandal**) \_\_\_\_\_ is one of the biggest crimes in my city with bus shelters and shop windows being popular targets. Another popular crime is (5 - **pay**) \_\_\_\_\_ parking fines, which is unlikely to be because of immigrants because most of them do not own cars. The (6 - **oppose**) \_\_\_\_\_ point of view is that young local people feel angry when they can't get a job and in order to (7 - **hand**) \_\_\_\_\_ the change in their environment, they strike out at easy targets. This would explain why bicycle (8 - **thief**) \_\_\_\_\_ is more common than car crime these days, especially in rich (9 - **neighbors**) \_\_\_\_\_ where most cars are protected with electronic alarms. Another reason, though, for so many bicycles getting stolen might be that the (10 - **punish**) \_\_\_\_\_ is not very severe compared to car stealing which can land you in prison for a number of years.

**Part III. In the following passage, some numbered lines contain a word that shouldn't be there. Tick (✓) the sentences that are correct and write the words that shouldn't be there in the numbered space.**

**studying law**

When I first went to a university I studied law. Although a both my mother and older sister have science degrees no one else in the family had ever been studied law before and my parents were very proud of me. The problem was that I did not really know exactly what lawyers did do.

I had a very romantic ideas about going to court to defend people who had been falsely accused of committing the crimes.

I imagined myself like those lawyers on TV, arguing with the judge and the prosecution lawyer and convincing to the jury that my client was innocent. After only a couple of weeks of very long and difficult lectures I am realized that a lot of what a lawyer does is very practical and not at all romantic.
