ADELE

Someone like you

I that you're settled down
That you a girl and you're married now
I heard that your dreams true
Guess she you things, I to you
Old friend, why are you so shy?
Ain't like you to hold back or hide from the light

I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face
And that you'd be reminded that for me, it isn't over

CHORUS:

Never mind, I'll find someone like you
I wish nothing but the best for you, too
"Don't forget me, " I beg
I remember you said
"Sometimes it lasts in love, but sometimes it hurts instead"
"Sometimes it lasts in love, but sometimes it hurts instead"

You know how the time flies
Only yesterday the time of our lives
We were born and raised in a summer haze
Bound by the surprise of our glory days

I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face
And that you'd be reminded that for me, it isn't over

CHORUS

Nothing compares, no worries or cares
Regrets and mistakes, they're memories made
Who would have known how bittersweet this would taste?
