This text deals with...

1. a great weekend
2. a busy morning
3. a typical weekday
4. a great summer time
5. a family event
6. a favourite season

A) Next Sunday will be an unusual day for our family. It will be our mother's birthday. We decided to celebrate it! My brother Nick and I decided to go to town and buy a present for her. We will go to town on Saturday after school to do shopping. What will we buy? As we will have a celebration, we need good sweets, biscuits and a birthday cake. And a bunch of flowers! I know Mother likes cakes and roses very much. Our father bought a great present for her but he is keeping it in secret. It is a great pleasure to make our mother happy.

B) Last Monday I woke up late because I didn't hear the alarm clock. I had no time to eat my breakfast. I couldn't find my books anywhere and my school cap. At last I found my books and I found my cap in the bathroom! My dog likes to play with it. I had to wait ages for a bus and I was late for school. The first lesson on Monday morning was Maths. My Maths teacher was very angry with me and told me off. She gave us some sums to do but I couldn't do them because I was very upset and hungry. That was the worst morning in my life.

C) I love summertime most of all because I was born in summer. The weather is warm and sometimes hot. There are many fruits, berries and vegetables. Sometimes my family goes to the forest to look for berries and mushrooms. And of course, I like summer very much because I have the longest holidays in summer. During my long summer holidays I have much fun meeting my friends, going to a summer camp, swimming in the river and eating plenty of fruits, berries and ice-cream.

D) I usually get up at six o'clock. I do not like to get up early, but I have to, because I have a lot of work to do during the day. I make my bed, wash my face, put my clothes on and go to the kitchen to have breakfast. My mother usually cooks breakfast for me, but sometimes I cook it myself. Then I go to school. I have classes till two or three o'clock. Then I come home and have lunch. After lunch I do my homework and then I go out with my friends or watch TV, or read books or play computer games. I go to bed at about ten o'clock.

E) In July or August I often go to hiking trips along the river with my elder brother and our friends. As a rule our hiking trips last for about 4 or 5 days. It depends on the weather. I like hiking very much. You have no mobile phones or the Internet there. You just relax, enjoy the nature and fresh air of the countryside, sunbathe at the beach, play volleyball, go fishing and boating, live in a tent and cook on the fire. My summer holidays are always very fun and energetic.
