

Plans for my birthday

Reading plans (Going to)

Read the following comic about Erika's plans for her birthday. Put the plans in the correct order.

 At night, I'm going to celebrate at home with my family and friends. First, we're going to have dinner. Second, I'm going to open all my birthday presents and later I'm going to dance with all my friends. After that, I'm going to eat my birthday cake and finally, we're going to have a karaoke night. Everything is going to be awesome!		
 In the evening, I'm going to prepare everything for the party. First, I'm going to select the music and after that, I'm going to decorate my house and also, I'm going to get the snacks and drinks ready for my guests. Finally, I'm going to have a shower before my friends arrive.		

 First, I'm going to have breakfast with Jessy. She's my best friend. Second, we're going to have a flight on an air ballon and we're going to spend some time in the park. After that, we're going to visit a museum and finally, we're going to meet some friends at Chapultepec zoo.		
 In the afternoon I'm going to the supermarket because later in the evening, I'm going to have a birthday party. So, I need to buy some drinks and snacks. Of course, I'm not going to buy alcohol because I don't like it.
