

*Listen to the big speaker and match the small one to the picture*

The worksheet contains 18 small animal pictures arranged in two rows of nine. The top row includes a kitten, two chickens, a Chihuahua, a cow, a rabbit, a duck, a sheep, a horse, and a pig. The bottom row includes a gorilla, a hippo, a lion, a snake, a crocodile, a parrot, an elephant, a zebra, a fish, and a tiger. In the center of the grid are 18 black speakers of varying sizes, intended to be matched with the animals.
