Name: ..... Date: .....

Class: 2A..... Unit 9: Animals

# WORKSHEET 4

## I. Read. Write *T* for True or *F* for False.

Elephants are the largest type of land animal. They live in Africa and Asia and can be as heavy as a truck.
Elephants have a long trunk which they use to gather food, drink water and bathe. To cool down, they flap their large ears.
Elephants love to eat leaves, grass and bark. They are really big so they need to eat a lot of food. They sometimes spend up to 16 hours a day searching for food

**0.** *Elephants are bigger than other land animals.* .....*T*.....

**1.** Elephants flap their ears to cool down. .....
