II. Read and write Yes or No

My name is Ben. I'm seven years old. I like playing basketball. I often play basketball with my friends in the playground. It is great fun. I don't like athletics. It is boring.

My birthday is in November. I will have a birthday party on Sunday. My friends and I will have chicken, popcorn and a big birthday cake. We will sing, dance, and play with balloons. I'm so excited.
