

Practice 2 Ways to Subtract: Subtracting by Counting Back

1. Count back.
Fill in the blanks.

Example

$$9 - 4 = \underline{5}$$

Count back and click on the correct answer.

(a) $10 - 1 = \square$

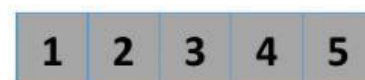

(b) $8 - 2 = \square$

(c) $7 - 3 = \square$

(d) $5 - 1 = \square$

(e) $8 - 3 = \square$

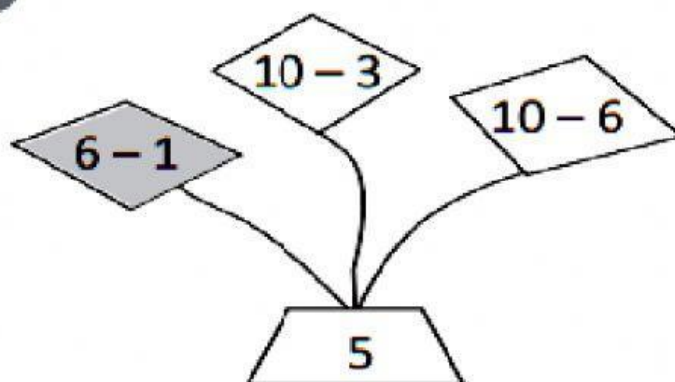

(f) $6 - 3 = \square$

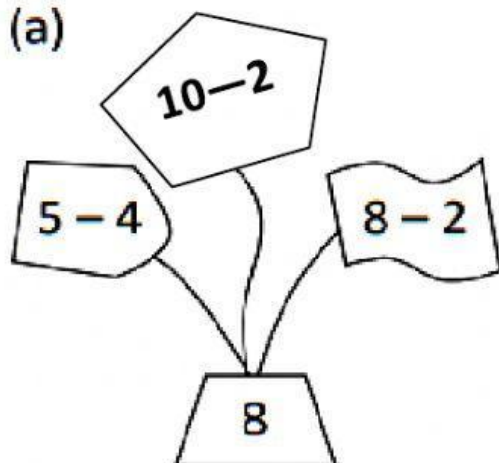

2. Colour the correct kite.

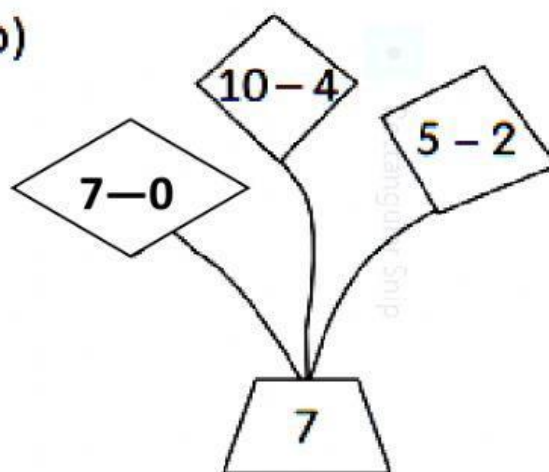

Example

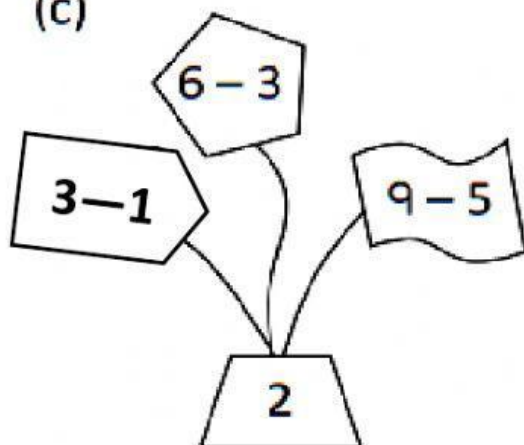

(a)

(b)

(c)

(d)
