

**I. Name the animals:**

**II. Guess the animal:**

1. The animal which has a big trunk.
2. The animal which is black and white stripes.
3. The animal which is the smallest member of the dog family, although it also has many similarities with cats – such as vertical slit eyes and retractable claw.
4. The animal which has large, powerful hind legs, large feet adapted for leaping, a long muscular tail for balance, and a small head
