

Practicing Geometry

Topics: Polygons, 3D figures, 2D figures, geometric figures.

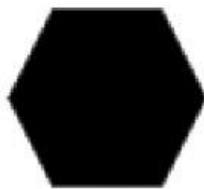

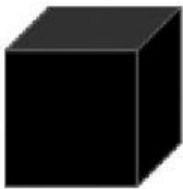

1.1 Polygons. Audio:

Look at the figures, and select if is regular or irregular.

1.2 3D Figures – 2D Figures. Audio:

Look at the figures, and select if is a 2D figure or a 3D figure.

1.3 3D Geometric figures Audio:

Click on the geometric figures.
