

IS IT POSSIBLE TO BE A GOOD GAMER AND A STUDENT AT THE SAME TIME?

The answer is a resounding yes.

In this document we are going to show you the steps to follow so as to achieve this goal in the right way.

First of all, you have to be clear about what you are facing. That is, know your strengths and weaknesses both in the virtual world and in the real world. Today, people don't realize about how capable they are of achieving whatever they set their minds to. However, you have to be serious about it. If you are a person who is enthusiastic about this gaming learning world, stay reading this text because it really interests you.

- 1) The first step is related to a very important factor: attentiveness. You must be attentive if you want to understand the dynamics of the teaching process and the game at the first time.
- 2) Analysis and note-taking. Once you have focused on the topic to be taught, you have to go deeper in order to gain access to the knowledge.
- 3) Exercise your mind and organise yourself depending on what needs to be done. This will give you time and active learning experience.
- 4) Last but not least, you must take breaks and ensure you stay hydrated. It is essential to relax and get a good night's sleep.

In conclusion, in order to be a good player and student you must have a balanced and healthy life as well as a desire to improve and achieve your future goals!

1. Read the text again and answer the questions.

- 1) Is it possible to be a good gamer and student?
- 2) According to this text, what steps should you follow?
- 3) Do you agree with these steps?
- 4) Can you add one more step?

2. Write true or false for the following sentences. In the case of false sentences, correct them.

- 1) One of the first things to take into account is to know your strengths and weaknesses.
- 2) Within this text you have learnt how to play online video games.

- 3) People usually know how to achieve their goals, but they are not serious about it.
- 4) Paying attention to the teaching-learning process is not relevant if you know how to play computer games.
