LIVEWORKSHEETS

C. Tick true or false based on the statement.

A Day in The Market

In the morning, my mother and I went to the market in my village by pedicab. We saw a lot of people doing buying and selling activities. My mother bought fish and vegetables for our family's breakfast, when the seller told us the price of the goods, my mother bargained for a lower price. The seller agreed and my mother got the goods. After we got many goods, we went home happily.

No	Statements	T	F
15	My mother and I went to the market at night.
