

Stand by Me

C	Am	F	G
I	VI	IV	V

Play the chord pattern on ukulele

V

[illegible]

MELODY

Figure 1 shows a schematic diagram of the experimental setup. A horizontal beam is supported by a fulcrum at its center. On the left side of the fulcrum, a weight labeled '21' is suspended. A force 'F' is applied to the beam at a certain distance from the fulcrum. On the right side of the fulcrum, a force 'G' is applied at a certain distance, and a weight 'C' is suspended from the end of the beam.
