

Lily.

Lily was a little girl
Afraid of the big, wide world
She **grew / grow** up within her castle walls
Now and then she **cried / tried** to run
And then on the night with the setting **sun / moon**
She went in the woods **again / away**
So afraid, all alone
They / Their warned her, don't go there
There's creatures **who / whose** are hiding in the dark
Then something **come / came** creeping
It told her, don't you worry just
Follow everywhere I **goes / go**
Top over the mountains or valley low
Give / Gave you everything you've been dreaming of
Just let me in, ooh
Everything you want in gold, I'll be the magic story you've been told
And you'll be safe **under / above** I control
Just let me in, ohh 🌸.
